Toledo Walleye Hockey Club's *Walleye Wishing Well Fund* Grant Guidelines

Toledo Community Foundation, Inc. is a public charitable organization created by citizens of our community to enrich the quality of life for individuals and families in our service area, which includes northwest Ohio and southeast Michigan.

Toledo Walleye Hockey Club's *Walleye Wishing Well Fund* of the Toledo Community Foundation requests proposals from nonprofit organizations seeking to provide programming that promotes the overall fitness and wellness of children enrolled in kindergarten through twelfth grade. Funds must be used to facilitate participation in programming that takes place during cold weather months. Activities should encourage healthy lifestyles, exercise, sports and/or physical fitness education and can occur indoors or outdoors. A preference will be placed on programs incorporating an educational component that enables participants to learn skills associated with healthy living.

Funds may be used to cover enrollment fees, transportation, equipment, uniform costs and program materials. Funds may also be requested for costs associated with maintaining or rehabilitating sporting venues like baseball diamonds, football fields or other similar sites. Funds are limited and grants will be awarded on a competitive basis. Funding priority will be given to projects that have not previously received funding support from the Walleye Wishing Well Fund. Organizations that receive a Helping Hens Fund grant are not eligible for Walleye Wishing Well funding in the same calendar year. Funds should not be depended upon as an annual source of support. It is anticipated that multiple awards will be made in an approximate range of \$1,500 to \$10,000 each.

Grant Application Process

Proposals will only be considered from nonprofit, charitable organizations which have been designated as having tax-exempt status under section 501(c)(3) of the Internal Revenue Service code.

The annual deadline for proposals is **September 1**. Proposals must be submitted through the Foundation's online application process by 11:59 p.m. on the deadline date. The online application can be accessed via the Foundation's website at www.toledocf.org. Proposals must be received by the application deadline in order to be considered for funding.

Completed grant applications are carefully reviewed by the Foundation's professional staff and the Walleye Wishing Well grant review committee. Applicant organizations will be notified of the status of their request in October. Expenses incurred by an applicant organization prior to award notification cannot be covered by Foundation funds.
