

The Katherine R. Smith Funds for Youth of the Waterville Community Foundation Request for Proposals

Greater Toledo Community Foundation is a public charitable organization created by citizens of our community to enrich the quality of life of individuals and families. The Waterville Community Foundation is a charitable organization, affiliated with the Greater Toledo Community Foundation, dedicated to the enrichment of community life in Waterville and the surrounding area.

The Katherine R. Smith Funds for Youth of the Waterville Community Foundation requests proposals from nonprofit organizations in northwest Ohio whose programs enhance the lives of young people under the age of 18. Any organization with services benefitting youth residing in Lucas or Wood Counties are encouraged to apply, with preference given to those that serve residents of Waterville and the Anthony Wayne Local School District. Projects and organizations that benefit children with developmental disabilities or abused children are a particular priority of these funds.

The Katherine R. Smith Funds for Youth seeks proposals for projects that can demonstrate impact over the course of a project period, and therefore will only consider requests that exceed \$3,000. It is anticipated that approximately \$40,000 will be available annually for distribution through this request for proposals. In addition to operating expenses for existing programs, applicants may seek support for expenditures associated with the establishment of new programs. Funds should not be depended upon as an annual source of support. Requests for funds to produce films, videos or television programs will be considered a lower priority.

Proposals will only be considered from nonprofit, charitable organizations which have been designated as having tax-exempt status under section 501(c)(3) of the Internal Revenue Service code. Applicant organizations must be located in or providing services for residents of Lucas or Wood County.

Grant Application Process

The annual deadline for proposals is **January 31**. Proposals must be submitted through the Foundation's online application process. The online application can be accessed via the Foundation's website at www.toledocf.org. Proposals must be received by 11:59 p.m. of the application deadline in order to be considered for funding.

Completed grant applications are carefully reviewed by both the Waterville Community Foundation and Greater Toledo Community Foundation's professional staff and Boards of Trustees. Applicant organizations will be notified of the status of their request in March or April. Expenses incurred by an applicant organization prior to award notification cannot be covered by Foundation funds.
