Oswald Supporting Organization
Grant Guidelines

At present, the Supporting Organization has a very limited amount of funds available for grant making, and therefore cannot accept unsolicited grant applications or proposals. These Guidelines are provided only to select nonprofits as determined by the Supporting Organization’s Board of Trustees.

Toledo Community Foundation, Inc. is a public charitable organization created by citizens of our community to enrich the quality of life for individuals and families in our service area. The Oswald Supporting Organization (hereinafter referred to as the Supporting Organization) was created under the auspices of the Toledo Community Foundation, Inc. for the purpose of offering grant support for charitable programs that enrich the quality of life for citizens of northwest Ohio and southeast Michigan.

Grants are awarded only to nonprofit, charitable organizations which have been designated as having tax-exempt status under section 501(c)(3) of the Internal Revenue Service code.

Focus Areas

The Supporting Organization has a particular interest in providing grants to support projects or programs that:
- Enable families (both traditional and non-traditional) to develop the skills/resources needed to nurture each member;
- Promote the advancement, self-sufficiency and intellectual, social, emotional and cultural growth of women and children of all ages.

Grant Application Process

Proposals must be submitted through the Foundation’s online application process. The online application can be accessed via the Foundation’s website at www.toledocf.org. At this time, the Oswald Supporting Organization does not accept unsolicited proposals. If invited to apply, please reference the letter of invitation for the exact web address leading to the confidential application portal. Proposals must be received by 11:59 p.m. of the application deadline in order to be considered for funding.

The Toledo Community Foundation’s professional staff and the Oswald Supporting Organization’s Board of Trustees carefully review all grant proposals. Applicant organizations are notified, in writing, of approval/denial of funding requests within one week after the Supporting Organization’s Board of Trustees takes action. The Supporting Organization cannot pay project expenses incurred by an applicant organization prior to notification of approval/denial.

Please note that grants are awarded on a competitive basis, may be available for one year only and cannot be counted on as an annual source of support.
