Community Funds Grant Guidelines

Greater Toledo Community Foundation, Inc. is a public charitable organization created by citizens of our community to enrich the quality of life for individuals and families in our service area. The Foundation serves Northwest Ohio and Southeast Michigan with a particular emphasis on the greater Toledo area. Grants from Community Funds support a variety of programs in the fields of education, social services, physical and mental health, neighborhood and urban affairs, natural resources, and the arts.

We have a particular interest in providing seed money for new programs designed to meet emerging community needs or to expand existing successful programs. Emphasis is placed on programs that will: (a) Create safe, positive living environments; (b) Enable families to develop the skills/resources needed to support and nurture each member; and (c) Foster the development of responsible young people who are capable of achieving their fullest potential. Multi-year requests will be considered if the applicant organization can show the progression of the project over time. Grant funds should only be requested to support direct programmatic expenses.

Grants are awarded only to nonprofit, charitable organizations which have been designated as having tax-exempt status under section 501(c)(3) of the Internal Revenue Service code.

Grant Application Process

The Foundation considers grant requests two times annually. The deadline dates for proposals are: **January 15 and August 15.** Proposals must be submitted through the Foundation’s online application process. The online application can be accessed via the Foundation’s website at [www.toledocf.org](http://www.toledocf.org). Proposals must be received by 11:59 p.m. of the application deadline in order to be considered for funding.

All grant applications are carefully reviewed by the Foundation’s professional staff and Board of Trustees. The Board of Trustees meets approximately three to four months subsequent to each deadline date to make funding decisions. Applicant organizations are notified, in writing, of the approval or denial of funding requests within one week after the Board of Trustees takes action. Project expenses incurred by an applicant organization prior to notification cannot be paid by the Foundation.
